Database: Microsoft SQL Server (MSSQL)

Soft Skills: Problem Solving, Adaptability, Communication, Teamwork

WORK EXPERIENCE

SSM InfoTech Solution Pvt. Ltd., Surat | Full Stack Developer Intern (ASP.NET Core MVC) | 1 Jan 2026 to 30 April 2026

- Developed and maintained web applications using ASP.NET Core MVC, C#, SQL Server, HTML, CSS, JavaScript.
- Implemented CRUD operations, database integration, and responsive user interfaces, improving application functionality and user experience.
- Wrote and optimized SQL queries, managed database operations, and enhanced data retrieval performance for business applications.

PROJECTS

TuneSync (Music Web App | ASP.NET MVC)

- Developed a full-stack music streaming platform featuring separate Admin, Artist, and User panels.
- Implemented role-based authentication and authorization to provide secure access for different user roles.
- Built core functionalities including song management, playlist creation, and database integration for efficient data handling.

Elite cars (Car Rental Management System | ASP.NET Core MVC)

- Built a Car Rental Management System using ASP.NET Core MVC, EF Core, and SQL Server.
- Implemented role-based authentication, vehicle booking, and rental management features.
- Integrated Stripe Payment Gateway for secure online payments and transaction processing.
